### Unit-II

2. (a) Read the following passage carefully and answer the questions given below :

Thirteen hundred years ago, a great traveller from China to India came in search of wisdom and knowledge. His name was Hiuen Tsang. He crossed the deserts and mountains of the North. He had to face the threats of bad weather and illness. But these did not stop him from reaching India. He overcame many obstacles in order to quench his thirst for knowledge. Once he reached India he spent many years in India. First he spent time in learning and gathering knowledge of the culture, traditions and religions of India. Then he dedicated

(3)

himself to imparting the knowledge he had accumulated over the years. He spent much of his time at the university of Nalanda which at that time was situated near Patliputra, now known as Patna. Hiuen Tsang became very learned and was given the title of 'Master. of the Law'—the law of Buddha.
